## Raised Garden Boxes

Stella's Circle is making gardening a breeze! We are selling 3' x 6' vegetable and herb gardens again this year, that are custom-made and installed by participants of Stella's Circle. Working together with the Conservation Corps NL, Stella's Circle participants will build, assemble, and install Raised Garden Boxes to make your gardening simple and successful.

### Garden Box Options

#### **Option 1 - Custom Garden Installation** (full delivery and installation)

All materials are delivered, including framing, row cover, landscape cloth, organic soil, lime, kelp, manure fertilizer, and seedlings (spinach, latah tomatoes, mixed leaf lettuce, green onion, and parsley)\*. Garden Boxes are installed and seedlings are planted for you. We do all the work, so you can just water and enjoy!

Cost: **\$199.99** + tax

#### **Option 2 - Replenishment Kit**

Soil is replenished and new seedlings are planted for those who already have a garden box.

Cost: **\$79.99** + tax

#### **Option 3 - Do-It-Yourself Kit**

Dismantled kit for easy transport. Simple to assemble - no tools required! Includes framing, row cover, landscape cloth, and seedlings.

Cost: **\$99.99** + tax

#### **Option 4 - Accessible Garden Installation** (full delivery and installation)

An off-the-ground garden planter that accommodates mobility aids and can reduce back strain.
