

## HOME TO STAY

an initiative of Stella's Circle

May 28, 2019

Dear Ned,

My name is Caitie Burke. I am the Project Coordinator of an exciting new project called **Home to Stay**. The goal of the project is to help people stay safe in their homes as they get older.

I would love an opportunity to tell you more about this great project. We will be in touch to arrange a time to visit you at home or feel free to call (738.2034).

Looking forward to meeting you!

Caitie
